

U.S. Patent Application No. 09/766,779

REMARKS**Amendments to the Claims**

Claims 1-12 and 14-20 are pending in the present application, with Claims 1, 8, and 17 being independent. Applicants have amended Claim 12 herein to further address the Examiner's rejection of that claim under 35 U.S.C. §§ 101 and 112, second paragraph. No new matter has been added.

Information Disclosure Statement ("IDS")

In the Amendment and Response dated December 7, 2005, Applicants requested that the Examiner consider the documents cited in the IDS filed on May 14, 2001. Applicants have enclosed herewith a copy of the USPTO stamped postcard acknowledging receipt of that IDS and the IDS, including copies of ten of the eleven non-patent references that were originally listed. Applicants submit that they were unable to locate a copy of item "AD" listed under "OTHER REFERENCES" disclosing the "PropertyFirst - Commercial Real Estate Broker Search - www.propertyfirst.com/directory/directory.asp?imgtype=directory&membertype=2 - 5/9/01" reference. Applicants will attempt to locate this reference and supplement this response; however, Applicants respectfully submit that the reference should be located in the patent file.

Applicants kindly request that the Examiner consider each of the documents cited in that IDS and return an executed copy of the IDS, indicating the Examiner's consideration of those documents.

Summary

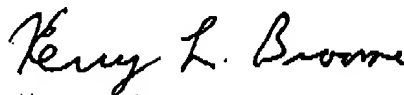

Applicants respectfully submit that the filing of this Supplemental Amendment and Response does not affect the benefits of the extension of time policy as set forth in 37 C.F.R. § 1.136(a), of which Applicants took advantage by filing the Amendment and Response to the Final Office Action by the two-month date of December 7, 2005.

U.S. Patent Application No. 09/766,779

CONCLUSION

Applicants submit the foregoing as a Supplemental Amendment and Response to the Amendment and Response filed on December 7, 2005. Applicants submit that this Supplemental Amendment and Response places the application in condition for allowance and respectfully requests such action. If any issues exist that can be resolved with an Examiner's Amendment or a telephone conference, please contact Applicants' undersigned attorney at 404.572.4647.

Respectfully submitted,

Kerry L. Broome

About Us

PropertyFirst.com provides technology, marketing and information services that make the Web work for commercial real estate professionals. The company helps over 2,000 firms and more than 29,000 professionals manage property information and workflow, market and identify real estate opportunities and services, create property websites and connect with each other across the Internet. PropertyFirst clients are leading commercial real estate owners, brokers, investors and service providers; they rely on the company's platform, marketplace and services to accelerate transactions, reduce transaction and marketing costs, increase efficiencies and opportunities, increase business volume and expand their reach.

Based in Alhambra, Calif., in Los Angeles County, PropertyFirst has strategic alliances with the Appraisal Institute and MortgageRamp.com, and client relationships with firms such as CB Richard Ellis, Cushman & Wakefield, AMB Property Corp., RREEF, The CORE Network and Transwestern Commercial Services.

Your Platform of Products and Services

Your needs are unique and important. That's why PropertyFirst.com has developed a platform that can be integrated and customized to suit your personal or corporate requirements. We help owners, brokers, investors, tenants and service providers manage information and workflow, market and identify property opportunities and services, and connect with each other across the Internet.

➤ About Storetrax.com

Storetrax.com is a Web-based service devoted exclusively to meeting the information needs of the retail real estate community. Since its founding in April 1998, the site has grown to be the dominant, nationwide, all-retail real estate listing service, with properties listed in 46 states, totaling more than 670 million square feet. With a focus strictly on retail, Storetrax.com eliminates the information clutter that accompanies trying to cover all aspects of commercial real estate on one Web site.

With free, up-to-the-minute access to a large database of retail properties, Storetrax.com provides the tools necessary to facilitate and expedite transactions among real estate brokers, retailers, and owners. Each listing includes an interactive site plan, a property photo, a tenant list, demographics, and contact information allowing landlords and developers to globally manage their properties, and brokers and retailers to search for and view retail space across the country 24 hours a day.

What Are the Benefits of Listing with Storetrax.com?

Storetrax.com helps you fill vacancies fast

Storetrax.com provides an online listing service that showcases your available properties to retailers and retail brokers worldwide. Prospective tenants can access the site any time at no cost, and get details on your retail property including shopping centers, malls, freestanding buildings, land and urban storefronts. Storetrax.com is the only Web-based listing service that aggressively markets directly to your prospects and steers them toward the site – and your property listing.

You get pre-qualified leads

Brokers and tenants can access photos, maps and site plans of your property. By the time they contact you, they've already decided that your property meets their qualifications, and they're ready to talk business.

Increase your productivity

You can print leasing packages directly from our site for free. Use our e-mail feature to market your property directly to prospective tenants. Stop searching your files for site plans - they're all here at Storetrax.com.
